OPENING HOURS AND HOW TO ACCESS SERVICES

All consultations are by appointment only. If you require to be seen urgently, please phone as early as possible and we will endeavour to give you an emergency appointment for that day. Alternatively you may arrange to be telephoned by a doctor or nurse who will discuss with you the problem and then agree with you if and when you should be seen.

Opening Hours – 09.00 to 13.00 and 14.00 to 17.00, Monday to Friday

Closed for half day 13.30 on Tuesdays

Evening surgery 16.30 – 18.30 Wednesday at Gairloch, Thursday at Aultbea including extended hours

Revised March 2020

OUT OF HOURS – ARRANGEMENTS

All our doctors participate in a rota for out of hours calls. There is always a clinician on call for emergencies. Telephone your local surgery to access the service (see page 1). After 18.00, before 08.00 and at weekends please call NHS 24 directly on 111 who can offer advice and nurse based triage before passing the patient on to the local clinician, if required. Patients can contact NHS24 (details below) at any time for advice or access health information at

www.nhsinform.scot

In emergency, dial 999 to speak to the Scottish Ambulance Service.

NHS 24 PHONE – **111** *free to call*
<http://www.nhs24.com>

This is a 24 hour health service which has round the clock health advice and support, available from anywhere in Scotland.

HOW TO REGISTER WITH THE PRACTICE

When you register with the practice you will be asked to fill out and sign a registration form. If you wish please also make an appointment with a doctor or practice nurse so that a brief history of previous illnesses can be taken and routine tests can be carried out such as blood pressure etc. The registration form can also be downloaded from our website www.TwoLochsGP.co.uk

PREFERENCE OF DOCTOR AND HOW YOU CAN ACCESS THIS

You will be registered with the Practice rather than with any one particular doctor. You may request to see a particular doctor if you so wish, it may just mean a longer wait for an appointment. Our clinicians all work at various times at both surgery sites.

WE HELP OUT WITH MEDICAL TRAINING

Throughout the year, undergraduate medical students may be attached to the practice. They usually sit in with the clinicians during consultations but you are not obliged to consent to a student being present.

After undergoing a rigorous assessment we have been awarded Training Practice status. We may have a GP Registrar based with us for six months to a year. They are fully qualified doctors with varying amounts of postgraduate hospital and GP practice experience. They will be available for appointments alongside the Practice clinicians.

HOME VISITS AND HOW TO GET A HOME VISIT

If a patient is unable to attend the surgery, then a home visit may be made at the discretion of the clinician. Requests for these should be made before 11a.m., if possible, so that the clinicians can plan their day.

OTHER PRACTICE INFORMATION & WEBSITE

The Practice holds a GMS contract with NHS Highland health board which requires us to have in place the necessary infrastructure and systems to provide good care.

We have a Practice website where you can find details of our online services, update your contact details, etc. Please take a look:

www.TwoLochsGP.co.uk

IF A PATIENT IS VIOLENT OR ABUSIVE

The Practice operates a **zero tolerance** policy towards any incident in which a person working in the health care sector is verbally abused, threatened or assaulted in circumstances relating to their employment by a patient or member of the public, involving explicit or implicit challenge to their safety, well-being or health. This includes telephone abuse.

The Practice has the right to remove patients from the list because of persisting unacceptable behaviour. Where a patient is not registered with a GP practice for any reason, the period of non-registration may invalidate specific policies e.g. a travel insurance policy.

YOUR RIGHTS & RESPONSIBILITIES, INCLUDING KEEPING APPOINTMENTS

All surgeries are by appointment and these can be made by telephoning the practice or online. Every available attempt will be made to fit urgent cases into the next available surgery on the same day. The practice also has the authority to remove from the list any patients who constantly abuse the appointments system.

Please telephone to cancel your appointment if no longer needed, so your appointment can be allocated to another patient.

EMAIL CONTACTS WITH THE PRACTICE

High-UHB.GP55357-Admin@nhs.net

We are pleased to receive general enquiries about the Practice via email. Requests for medical advice or patient specific information via email will be dealt with under our medical records confidentiality guidelines. As with any communication from the Practice, the patient must take appropriate steps to ensure the contents are read only by the intended recipient.

HOW TO GET REPEAT PRESCRIPTIONS

Your repeat prescription may be renewed without necessarily seeing the clinician. Requests for prescriptions can be made by leaving a message on your local surgery's prescription line:

Aultbea: 731599

Gairloch 712358

Requests are processed every working day and we endeavour to have the signed prescription ready for collection for you after 2 working days from taking your message. Requests can also be submitted online by registering with www.patient-services.co.uk

ARRANGEMENTS FOR DISPENSING PRESCRIPTIONS

You can request for your signed prescription to be collected by the Gairloch Pharmacy and either pick up your dispensed medication in person from there or from the Aultbea Surgery. Patients always retain the choice to collect their signed prescriptions from either surgery site and then take them to the pharmacy of their choice for dispensing. The nearest pharmacies are in Gairloch, Ullapool, Dingwall, Strathpeffer or Kyle.

HOW YOU CAN MAKE A COMPLAINT OR COMMENT

We operate a practice complaints procedure for dealing with complaints. This system meets national criteria.

If you wish to make a complaint, then you can approach any member of the practice team. We have a two stage complaints procedure. We will always try to deal with your complaint quickly. But if it is clear that the matter will need a detailed investigation we will tell you and keep you updated on our progress.

It would be helpful if you could inform us of any problems as soon as possible after the incident has taken place and at the latest within 12 months.

In investigating your complaint, we aim to

- Find out what happened, and what went wrong
- Enable you, if you would like, to discuss the problem with those concerned
- Ensure you receive an apology, if appropriate
- Try to prevent the same thing happening in the future

If you agree to someone making the complaint on your behalf, it is important for you to know that we will need to ask for your permission for us to deal with that person.

If you would prefer to talk to someone who is not in the Practice you can write to the Feedback Team, NHS Highland, PO Box 5713, Inverness IV1 9AQ or via email on nshighland.feedback@nhs.net. You will be given a reply within 20 working days of them receiving your complaint. Where there are good reasons why this cannot be achieved, you will be kept informed of progress.

If you would like to make a suggestion that you feel could improve the service we offer to patients, please let us know by using the suggestion form, or by discussing with a member of staff.

ACCESS FOR DISABLED

Our premises are fully accessible for wheelchair users and the disabled and we provide a disabled toilet. There is space for disabled parking in front of the buildings.
